

Mobile MedCert PLLC

Privacy and Compliance

We adhere to the Health Insurance Portability and Accountability Act (HIPAA) to protect driver Protected Health Information (PHI).

Procedures:

- **Electronic Records:** all documentation is done in a HIPAA compliant electronic health record. Digital files are stored on encrypted, password protected platforms.
- **Paper Records:** all original copies are given directly to drivers. Copies are kept on file for 3 years as required by the FMCSA in a locked filed during transit, and in a locked filing cabinet in the office.
- **Disclosure:** only the Medial Examiner Certificate is shared with the employer or motor carrier unless a release of information is signed by the driver.
 - The medical examiner and any company representatives cannot and shall not discuss any medical history, physical exam findings, or other PHI with the employer or motor carrier.
